

## PCB for STAT soldering tool from 24 to 230v

Price: 40,00€ - 48,00€

**Product Categories:** [Uncategorized](#), [Soldering iron spare parts](#)

**Product Page:** <https://etneo.com/prodotto/pcb-for-stat-soldering-tool-from-24-to-230v/?lang=en>

### Product Variants

- PCB for STAT soldering tool from 24 to 230v - Stat 230V soldering iron circuit ()
- PCB for STAT soldering tool from 24 to 230v - Stat 50V soldering iron circuit ()
- PCB for STAT soldering tool from 24 to 230v - Stat 24V soldering iron circuit ()

### Product Summary

PCB for STAT soldering tool from 24 to 230v

### Product Description

Pcb with trimmer for temperature control min-max to be used with all soldering tools STAT with 220v.

### Product Attributes

- Dimensions: N/A
- Weight: 0.2 kg
- Tensione: Stat 230V soldering iron circuit, Stat 24V soldering iron circuit, Stat 50V soldering iron circuit
